8 UNITED STATES DISTRICT COURT
9 FOR THE EASTERN DISTRICT OF CALIFORNIA
10

11 Kristie Sheets, individually and on behalf
12 of all others similarly situated,

13 Plaintiff,

14 v.

15 Lippert Components, Inc., A Delaware
16 Corporation; Forest River, Inc., an
17 Indiana Corporation; and DOES 1-10,

18 Defendants.

No. 2:20-cv-01683-KJM-JDP

ORDER

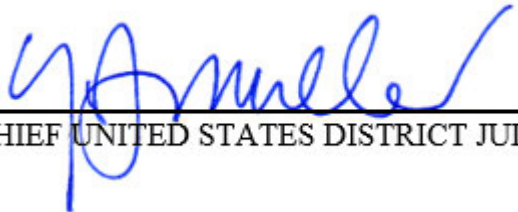

19 In November 2021, the court approved the parties' stipulation to reset case deadlines and
20 the status conference. Prev. Order (Nov. 24, 2021), ECF No. 54. Plaintiff's second amended
21 complaint was due February 20, 2022, and defendants' response was to be filed within twenty-
22 one days after service of the second amended complaint. *Id.* The status conference was set for
23 March 24, 2022. *Id.* The parties were to file a Joint Status Report fourteen days before the status
24 conference. *See* Min. Order, ECF No. 45. Plaintiff did not file a second amended complaint and
25 the parties did not file their Joint Status Report. Furthermore, the court has not received any
26 update on the parties' settlement efforts. While the court notes defendants have filed an
27 interlocutory appeal, the parties have not sought a stay; nor is it obvious to the court that the
28 appeal deprives it of jurisdiction.

1 Accordingly, the court orders plaintiff to show cause why this case should not be
2 dismissed for failure to prosecute. **Any response shall be filed within fourteen days.**

3 The initial scheduling conference set for March 24, 2022 is vacated, to be
4 reset if needed.

5 IT IS SO ORDERED.

6 DATED: March 17, 2022.
